

# Calling All Tyres

*"From the heart of the Credential operation our call centre staff have a long distance love affair with millions of used tyres a year. Not that they play fast and loose with their emotions, you understand.*

*They just love them and coordinating their collection - the more the merrier."*

- Sales Co-ordinator  
**Terri Davison** at Credential Automotive, Newton Aycliffe.

**Credential Automotive - leading UK tyre & garage waste collection.**

**Ring 0870 243 0841 NOW for a no obligation quote on safe, compliant waste & tyre recycling.**
